### [Name] EARNS RCLS® CYBER LIABILITY SPECIALIST

[City], [Date] – [Name], of [Company Name], has completed the requirements to obtain the Registered Cyber Liability Specialist® (RCLS) professional certification.

The NRCLS® workers' compensation designation is awarded by The National Registry of Cyber Liability Specialists® to qualified individuals who have completed the educational requirements and agree to the RCLS Code of Ethics.

In order to earn the RCLS® certification, [Name] was required to complete 12 hours of industry specific cyber liability education, pass a two-hour comprehensive examination, and agree to adhere to our Code of Ethics. Additionally, in order to maintain this designation [Name] must certify compliance with continuing education requirements every three years.

Becoming a Registered Cyber Liability Specialist® is quite an accomplishment. The knowledge obtained from studying helps graduates become better prepared to understand and navigate the complex risk management issues associated with workers' compensation insurance.
